

19th June 2020

Dear Parents/Carers,

We have taken the decision to move both the Class 3 and 4 residentials for this September. We hope you will understand that this decision had been made with the well-being of the pupils in mind and whilst we recognise that some pupils may be disappointed, we feel they will have a better time on the new dates organised.

Class 3 Hathersage

This residential will now take place a year later than planned in September 2021. The same children will go as year 4's and year 5's regardless of which class they are in. All costs communicated so far will remain the same and the online payment system will remain open. For those who have already paid, you can either leave the money in there or request a refund by contacting the school office. New payment deadlines will be communicated to you next term

Class 4 PGL

This residential will now take place on the 15th March 2021. The same children will go as year 5's and year 6's as the trip will still take place in the same academic year. All costs communicated so far will remain the same and the online payment system will remain open. For those who have already paid, you can either leave the money in there or request a refund by contacting the school office. New payment deadlines will be communicated to you next term

Thank you for your understanding and please get in touch with us should you have any questions.

Yours faithfully

Matthew Lee
