

19<sup>th</sup> June 2020

Dear Parents/Carers,

We have taken the sad decision to cancel our in-school transition events planned for the next three weeks. This decision has been taken following a review of the safety of pupils, parents and staff given the current government guidelines and restrictions.

We understand that this will be disappointing for parents and children. Staff were really hoping to be able to meet with you face to face before the end of term. Instead of these events, transition will now take place via our school website, under the 'New Starters' tab, where on Friday 26<sup>th</sup> June, you will find:

- A welcome message from your new teachers Mrs Bailey and Mrs Hatherley
- Lots of information and activities for you to access online
- A school tour video for you to show your children in preparation for their first day
- Stories read by your child's new teachers for them to enjoy with you

Where possible we will also send as much of the information as possible by post.

We will be communicating with you again before the end of term and throughout the school holidays on our plans for the new academic year. Whilst we remain hopeful that your child will be able to start school as normal, we will also have to be prepared for any changes that are needed in response to the situation around COVID-19.

Thank you for your understanding and please get in touch with us should you have any questions.

Yours faithfully

Matthew Lee  
Headteacher
